

OFFICIAL ANNOUNCEMENT:
A NEW ERA BEGINS AT ROYAL PIER

To our valued guests,

We are thrilled to share some exciting news: The Royal Pier Restaurant is now transforming into something truly special – welcome to DE • JA • VU.

Inspired by the French concept of “déjà vu,” meaning the feeling of experiencing something familiar yet new, DE • JA • VU invites you to **reminisce the good times whilst creating new memories.**

Under new ownership, we are blending the rich history of our iconic location with a fresh, new modern approach to dining.

Throughout this transition, we remain **open as usual**, from **5 PM to 11 PM**, Monday to Sunday, proudly serving our existing Royal Pier menu while we prepare for the official launch of DE • JA • VU in November.

We can't wait to welcome you in, hear your thoughts, and continue delivering the quality service you know and love. Your support and feedback mean the world to us as we embark on this exciting new journey.

Reserve your tables as always, and stay tuned for more updates.

Thank you for being part of this transformation.

Warm regards,

Imran Talukder

Owner, DE • JA • VU at Royal Pier
